WELCOME

Thanks for taking an initial interest in Amethyst Sixth – I hope that you find what follows to be of interest to you and very much worth your time.

We want our Sixth Form to be compete with anyone else in the city, and that you are signing a fantastic Sixth Form experience that will take you places that will stay with you for the rest of your life. We have a phrase in our school that we refer to often: make success inevitable. That is what I see as the job of a great Sixth Form, to be a place where our students take great potential and realise their dreams, whatever they may be.

On a personal note, I am incredibly committed to Sixth Form education as the Headteacher of Amethyst Sixth. I know that my Sixth Form experience was critical on setting me on the path to being successful in life, and being from Wolverhampton I want the students in the community where I grew up to have the same experience. I look forward to getting to know you when you begin with us as a student, a journey that begins in the exciting opportunities in the pages that follow.

Enjoy!

Stephen Blower,
Headteacher - Aldersley High School

WELCOME

"The Amethyst Sixth Form provides a fantastic opportunity for students from across the city to flourish and develop on both an academic and a personal level.

We pride ourselves on being an inclusive Sixth Form and we welcome students from all backgrounds. Proud to be the dedicated Sixth Form of the highly successful Amethyst Academies Trust, we ensure our students receive an outstanding Sixth Form experience both academically and culturally and leave with a passion for the world, knowledge to achieve and skills for life.

It is our belief that very students' learning journey with us is not simply about an excellent set of exam results but that they are absolutely ready for their future adventures and leave with the knowledge and skills to thrive. Every student is challenged and supported to do their best academically. Students receive high quality teaching and feedback on their work, which, coupled with hard work and a positive attitude, enables all to thrive."

Mrs Bhangal
Senior Assistant Headteacher - Amethyst Sixth Form

FOREWORD

“An enjoyable, challenging and relavant sixth form”

I am immensely proud to have a Sixth Form that serves all students within our Trust. Our aim is to cultivate independent, driven, and professional young adults by upholding the core values that define our academies. While the exceptional education and high standards we deliver are compelling reasons to choose Amethyst Sixth Form, our commitment goes far beyond academics.

We have strong partnerships with local and national universities, as well as organisations offering paid alternatives to higher education. Our dedicated Sixth Form Team works tirelessly to prepare students for university, apprenticeships, or other career pathways, providing expert guidance throughout the application process. With an experienced team offering tailored support, mentorship, and targeted interventions, we empower students to achieve their highest potential in their chosen Level 3 qualifications.

Mrs Licata,
Chief Executive Officer - Amethyst Academies Trust

Amethyst Academies Trust
Providing our students with the best life chances

PARIS SAINT GERMAIN FOOTBALL ACADEMY

PARIS SAINT GERMAIN FOOTBALL ACADEMY

Elite Football Training the “Parisian Way”

The Paris Saint Germain Football Academy West Midlands offers a unique and inspiring sixth form experience, combining academic excellence with elite-level football training. As proud representatives of PSG Academy in the West Midlands, we replicate the first team’s professional standards in all aspects of our program, providing an unrivaled pathway for ambitious students to develop their potential both on and off the pitch.

Our program is delivered by qualified coaches who design high-level sessions aligned with PSG first-team training principles. Players are coached the “Parisian way,” with a focus on technical precision, tactical understanding, and physical development. State-of-the-art facilities include our newly installed 3G pitch, while position-specific gym plans, tailored nutrition and meal plans ensure every player’s needs are met.

To further enhance performance, we provide advanced technologies such as GPS tracking vests and Veo camera analysis. These tools allow players to receive in-depth feedback from trained professionals, helping them refine their game and achieve their best.

ACADEMY
WEST MIDLANDS

PARIS SAINT GERMAIN FOOTBALL ACADEMY

Opportunities Beyond The Pitch

Our inclusive program goes beyond developing footballers—it shapes leaders and well-rounded individuals with transferable skills. Students gain access to valuable opportunities, including the FA Playmaker Award, refereeing courses, and coaching roles. Additional pathways in sports media, report writing, physiotherapy, and work experience ensure that all students, not just football players, have a platform to excel.

Pro days and scouting days provide exposure to professional clubs, with scouts regularly visiting the academy. International opportunities include the prestigious PSG World Cup and end-of-season tours, offering students the chance to compete on a global stage.

PARIS SAINT GERMAIN FOOTBALL ACADEMY

Balancing Education and Sport

At the academy, we understand the importance of balancing academic aspirations with sporting commitments. Students can choose from a wide variety of A-level and Vocational subjects while participating in up to 10 hours of football training per week. Our program ensures students achieve their academic goals while pursuing their passion for sport.

A Pathway to Excellence

Amethyst Sixth form - Paris Saint Germain Football Academy West Midlands is more than just a sixth form—it's a launchpad for success. Whether aiming for a career in professional football or exploring broader sports-related pathways.

If you're ready to join a dynamic community and train like a professional while preparing for your future, the Paris Saint Germain Football Academy West Midlands is the perfect choice. Take your next step today!

SUPPORT AT AMETHYST SIXTH FORM

SUPPORT AT AMETHYST SIXTH FORM

At Amethyst Sixth Form, we are dedicated to supporting our students in every aspect of their lives, ensuring they thrive academically, emotionally, and socially during this crucial phase of their education.

Pastoral Care

Our pastoral team is committed to the well-being of every student. The Heads of Year and Attainment and Standard Leaders of Sixth Form work alongside a dedicated team of form tutors, who are the first point of contact for students. These tutors provide daily support, ensuring that students are healthy both mentally and physically, and helping them navigate challenges they may encounter.

We also offer access to a wide range of professionals to enhance our pastoral provision:

Mental Health Lead: Supporting emotional well-being and resilience.
School Nurse: Providing healthcare guidance and support.
Safeguarding Team: Ensuring a safe and secure environment for all students.
Post-16 SENDCO: Delivering tailored support for students with additional needs.
Wellbeing Professionals: Offering specialist services to promote positive mental health and balance.

Our team takes a proactive approach to student welfare, creating an environment where students feel supported and cared for.

Financial Support

We understand that financial concerns can be stressful for both students and their families. At Amethyst Sixth Form, we are committed to ensuring that money does not become a barrier to education.

Through our 16-19 Bursary Scheme, we provide financial support for eligible students to help with essential costs such as transport, resources, and other expenses. From the very start of their journey with us, we work closely with families to ensure an inclusive and equitable education for all. If you are unsure about your eligibility or need assistance in applying, our friendly sixth form team is on hand to guide you through the process.

Transport

For our students travelling across from Moreton School, getting to and from Amethyst Sixth Form is hassle-free with our free minibus service:

Morning Service: Starting at 8.00 am from Moreton School.
Afternoon Service: Departures at 3.30 pm and 4.15 pm for students attending after-school sessions or enrichment activities.

Our reliable transport service ensures students have access to their education without financial or logistical challenges.

Additional Support & Resources

Daily Breakfast: We provide breakfast every morning to ensure students start their day energised and focused.

Laptop Provision: Every student at Amethyst Sixth Form is issued a personal laptop for the duration of their time with us. This ensures that all students have access to the technology required for research, coursework, and independent study, both in school and at home. By equipping our students with laptops, we aim to eliminate barriers to learning and foster digital literacy, which is essential for success in higher education and the modern workplace.

Access to Quiet Study Spaces: We understand the importance of having a dedicated space for focused study. Our Sixth Form Centre is open before and after school, providing students with a quiet, well-equipped environment where they can complete assignments, revise, or prepare for lessons.

This provision reflects our commitment to supporting independent study and creating an environment where all students can excel academically.

At Amethyst Sixth Form, we pride ourselves on creating a nurturing and supportive environment where students can achieve their best while feeling valued and cared for. If you would like more information about the support available, please do not hesitate to contact our sixth form team.

WHY CHOOSE AMETHYST SIXTH FORM?

WHY CHOOSE AMETHYST SIXTH FORM?

“Our Sixth Form embodies the core values of the Amethyst Trust family”

At Amethyst Sixth Form, we are proud to be part of the Amethyst Academies Trust, driven by the shared vision of enabling everyone to thrive and achieve their full potential, no matter their starting points. We are committed to creating harmonious and inclusive environments where students are encouraged to reflect, prepare, learn, and challenge themselves while behaving with respect.

Our Sixth Form embodies the core values of the Amethyst Trust family, offering an outstanding education built on excellence, inclusivity, and opportunity. We provide a knowledge-rich curriculum, a vast array of enrichment activities, and personalised support that empowers students to achieve their best. Our specialist Sixth Form team is dedicated to fostering success through tailored guidance, inspiring teaching, and meaningful mentorship.

Here, we encourage every student to explore their potential, develop their strengths, and discover new skills that will prepare them for success beyond their studies. Whether pursuing higher education, apprenticeships, or other career pathways, our Sixth Form equips students with the tools they need to excel academically, grow personally, and contribute positively to their communities.

WHY CHOOSE AMETHYST SIXTH FORM?

Why Do We Exist?

To strengthen community connections across our Trust schools by promoting students' academic excellence and personal development, preparing young adults for success in life beyond their education.

What Do We Do?

We teach challenging lessons, impart powerful knowledge, and provide exceptional support, ensuring that our students achieve the best outcomes and making success inevitable.

Joining Amethyst Sixth Form means being part of an ambitious and supportive community where students are inspired to succeed and thrive in all aspects of their lives. We look forward to welcoming you into our Sixth Form family, where your journey to success begins.

OUR CURRICULUM

ASPIRATION
MOTIVATION
EXCELLENCE

OUR CURRICULUM

We offer an inclusive and inspiring curriculum designed to meet the diverse needs, aspirations, and talents of all our students.

Accessible for All:

Providing opportunities for every student to thrive, regardless of their starting point.

Ambitious & Challenging:

Encouraging students to stretch their abilities and achieve their full potential.

Coherently Planned:

Supporting personal growth and preparing students for their next steps in education, employment, or training

We pride ourselves on delivering exceptional teaching that sparks curiosity and passion, ensuring that students are excited and motivated every day.

Academic and Vocational Excellence

Amethyst Sixth Form offers a broad and dynamic curriculum with over 25 A-level and Vocational qualifications. This range of courses enables students to create a personalised study programme that aligns with their interests, strengths, and career aspirations.

Whether choosing traditional academic subjects or vocational pathways, our curriculum equips students with the knowledge and transferable skills needed for further education, training, or employment. With a focus on progression, we ensure that every student leaves Sixth Form ready to excel in their chosen field and thrive in modern society.

At Amethyst Sixth Form, our curriculum is organised into six dynamic pathways designed to help students tailor their studies to their interests, strengths, and future aspirations. These pathways - Healthcare and Fitness, Social and Environmental Sciences, Performing Arts, Business and Finance, Arts and Literature, and Science and Technology - offer a wide range of subjects to inspire and challenge every learner.

Each pathway is carefully structured to support progression into higher education, apprenticeships, or employment. Whether students aspire to become healthcare professionals, environmental scientists, entrepreneurs, technologists, or creatives, our pathways provide the foundation for developing expertise and transferable skills. This approach ensures students are well-prepared to achieve their ambitions and thrive in their chosen fields, supported by a curriculum that bridges academic excellence and real-world application.

OUR CURRICULUM

Tailored Support and Guidance

Support begins well before students join us. Year 11 students from Amethyst Academies Trust schools and from across the city receive personalised advice and guidance to help them choose the right courses. This tailored support continues throughout their time at Sixth Form, ensuring that every student is on a pathway that suits their goals and ambitions

Exceptional Teaching and Learning

The high quality of teaching at Amethyst Sixth Form ensures outstanding outcomes for all our students. Lessons are knowledge-rich, enabling students to build, develop, and master their understanding across a wide range of subjects.

Throughout their studies, our expert teachers and leaders personalise learning to meet individual needs, fostering self-reflection and target-setting to maximise progress. Students are encouraged to engage in wider reading and independent research, with flipped learning embedded across the curriculum. This approach empowers students to deepen their understanding, gain independence, and grow into confident, skilled learners ready to excel in their future pursuits. At Amethyst Sixth Form, we are committed to helping every student achieve their full potential and succeed in their next steps.

Beyond the Classroom: Enrichment and Leadership

Amethyst Sixth Form provides countless opportunities for students to develop their talents, build confidence, and explore their interests beyond their studies. Students can:

- Join the Student Union to represent their peers and drive positive change.
- Take part in enrichment sessions ranging from creative arts to sports and personal development.
- Apply to join the Student Leadership Team, gaining invaluable leadership experience.
- Create and lead their own societies based on personal passions and interests.

These activities help students grow as individuals, fostering essential skills such as teamwork, communication, and leadership. At Amethyst Sixth Form, we are committed to nurturing well-rounded, confident, and capable young adults, ready to embrace their future with knowledge, skills, and enthusiasm. Our curriculum is more than a collection of subjects - it's a pathway to success!

LEARNING PATHWAYS

At Amethyst Sixth Form, our curriculum is organised into six dynamic pathways designed to help students tailor their studies to their interests, strengths, and future aspirations.

These pathways - Healthcare and Fitness, Social and Environmental Sciences, Performing Arts, Business and Finance, Arts and Literature, and Science and Technology - offer a wide range of subjects to inspire and challenge every learner.

Combination Route

- 2 years in Sixth Form
- 3 subjects combining A Level and Applied General Qualifications
- Work experience and enrichment activities

Progression to Degree Courses at various Universities
Or Higher Level Apprenticeships

LEARNING PATHWAYS

Curriculum Updates

At Amethyst Sixth Form, we are committed to providing a curriculum that meets the needs of our students while aligning with national educational standards.

As part of this commitment, our curriculum offer may be updated to reflect changes proposed by the Department for Education (DfE) regarding new qualifications. Any updates will be carefully considered to ensure they continue to support our students' aspirations and provide the knowledge and skills required for success in higher education, training, or employment.

We will communicate any changes to students and parents promptly to ensure a smooth transition.

PATHWAYS TO SUCCESS PROGRAMME

ASPIRATION
MOTIVATION
EXCELLENCE

PATHWAYS TO SUCCESS PROGRAMME

The Pathways to Success Programme is a holistic initiative designed to equip students with the knowledge, skills, and experiences needed to thrive both academically and personally.

Delivered during dedicated nurture time sessions, on Wednesdays and through bespoke days, the programme is structured around five key strands:

Futures Strand:
Focused on Careers Education, Information, Advice, and Guidance (CEIAG), this strand helps students explore post-18 pathways, including university, apprenticeships, and employment, ensuring they make informed and confident decisions about their future.

Achieve Strand:
Dedicated to academic skills development, this strand empowers students with effective study techniques, time management strategies, and tools for achieving academic excellence.

Discover Strand:
Aims to build essential life skills, such as financial literacy, communication, and resilience, preparing students for independence and success beyond school.

Enrichment Options:
Offers a wide range of activities and opportunities to broaden students' horizons, develop talents, and enhance their overall educational experience.

Additionally, the programme integrates PSHE (Personal, Social, Health, and Economic education), providing students with the knowledge and skills to navigate personal wellbeing, relationships, and social responsibilities, fostering a well-rounded and informed approach to life.

The Pathways to Success Programme is an integral part of student development, fostering aspiration, motivation, and a readiness for the challenges and opportunities that lie ahead.

PATHWAYS TO SUCCESS PROGRAMME

Careers, Education, Information Advice and Guidance (CEIAG) Programme

YEAR 12 & 13

Students engage in a comprehensive CEIAG programme supported by Unifrog, OSCAR, and Zero Gravity as some of the platforms used. Unifrog serves as a user-friendly platform offering a wealth of careers information, helping students explore pathways, make informed decisions, and submit strong applications for post-18 opportunities. It also enables teachers and advisers to manage and support student progression effectively. OSCAR provides tailored career development resources, including assessments, skills tracking, and preparation for the workplace. Zero Gravity connects students with mentors in top professions and universities, inspiring them to aim higher and achieve their ambitions.

The programme emphasises exploring and being inspired by post-18 options, including university courses, apprenticeships, and employment opportunities. It supports students in understanding their skills, interests, and career aspirations, equipping them to make confident and informed decisions.

PATHWAYS TO SUCCESS PROGRAMME

Work Experience and Post-18 Opportunities

At the heart of our careers programme is the commitment to providing students with real-world experiences and invaluable insights into their future pathways. Year 12 students are encouraged to undertake a one-week work experience placement with a business or organisation of their choice. This opportunity allows students to explore potential careers, develop workplace skills, and gain a practical understanding of their fields of interest. Students are supported in arranging their placements through guidance from their families, friends, and the school.

In addition to the one-week placement, all students have access to weekly opportunities to engage with employers, higher education institutions, and apprenticeship providers. Throughout the year, students can attend a variety of workshops, events, and networking opportunities, designed to broaden their understanding of post-18 options and inspire ambitious goals.

A highlight of the programme is the UCAS Discovery Birmingham event, where all Year 12 students gain valuable insights into the university application process and explore the wealth of options available to them after Sixth Form. These experiences are integral to empowering our students to make informed decisions and build a strong foundation for their future success.

In Year 13, Students receive focused support to apply for university through UCAS, as well as tailored guidance for alternative post-18 plans, such as apprenticeships or direct employment. The programme ensures that every student is well-prepared for their chosen pathway, fostering confidence and readiness for the next stage of their journey.

PATHWAYS TO SUCCESS PROGRAMME

PSHE and SMSC Education in Key Stage 5

Our PSHE (Personal, Social, Health, and Economic) education programme for Key Stage 5 plays a vital role in preparing students for independent living and the next stages of their education or career. Delivered by form tutors during nurture time, the programme provides opportunities for students to explore topics with real-life relevance at this critical transition point in their lives. It focuses on equipping them with the knowledge, skills, strategies, and attributes needed to thrive both personally and professionally.

The curriculum is structured around three core themes:

Health and Wellbeing:
Students develop an understanding of physical and mental health, managing stress, and making informed decisions about their wellbeing.

Relationships:
Students learn about building and maintaining healthy relationships, communication skills, and navigating complex social situations.

Living in the Wider World:
Students are prepared for the responsibilities of adult life, including financial independence, understanding societal roles, and career planning.

This PSHE programme is complemented by the broader SMSC (Spiritual, Moral, Social, and Cultural) curriculum, fostering personal growth, social responsibility, and resilience. Together, these elements ensure students leave Sixth Form equipped to make informed decisions, navigate challenges, and succeed in their chosen pathways.

PATHWAYS TO SUCCESS PROGRAMME

Weekly Assemblies

Our weekly assemblies play a central role in supporting students' development within each strand of the Pathways to Success Programme. These assemblies focus on fostering a positive school ethos, reinforcing core values, and promoting the pursuit of excellence in all aspects of student life. They also create a sense of belonging and school unity, helping students feel connected to the wider school community.

Throughout the year, assemblies align with the Futures, Achieve, Discover, and Enrichment strands of the Pathways to Success Programme, ensuring that students receive guidance and inspiration related to their academic, personal, and professional development. Key messages are delivered by staff, students and external visitors, offering insights into future opportunities, supporting career exploration, and providing motivational messages.

In addition, these assemblies provide a dedicated focus on the VESPA framework (Vision, Effort, Skill, Practice, and Attitude), which is integrated into the sessions to help students develop a growth mindset and achieve their full potential. By focusing on VESPA, students are encouraged to embrace a positive attitude towards challenges, enhance their academic skills, and stay motivated as they work toward their goals.

Assemblies also celebrate national and international days, highlight cultural and religious festivals, and recognise student achievements. Whether it's academic success, involvement in extra-curricular activities, or contributions to the school community, students are regularly acknowledged and rewarded for their hard work and dedication. This holistic approach ensures that every student is motivated, informed, and supported in their journey toward success.

PATHWAYS TO SUCCESS PROGRAMME

Discover Strand: Life Skills, Volunteering & Personal Character Development

At Amethyst Sixth Form, we believe in nurturing students not only academically but also as individuals who are capable of making meaningful contributions to society. Through our Life Skills & Volunteering initiatives, we offer students a range of opportunities to develop essential skills such as leadership, communication, and confidence. These experiences empower them to become agents of positive change within their communities, equipping them with the qualities and mindset needed to make a lasting impact.

Students are encouraged to take on leadership roles and volunteer throughout Year 12 and 13. Through our strong links with schools across the Amethyst Trust, students can support and assist with events, both within their own school and others.

Alongside life skills development, we place a strong emphasis on Personal Character Development & Well-being, aiming to help students flourish in all areas of life. Our vision is to support students in becoming well-rounded, empathetic individuals who contribute positively to society while respecting and supporting those around them. Character education at Amethyst sixth Form is woven throughout the curriculum and personal development opportunities, ensuring that students are prepared not just academically, but socially and emotionally, for the future.

Personal character development and well-being are underpinned by The Six Character Benchmarks, which guide our work and ensure that we offer a comprehensive, well-rounded education. These benchmarks are designed to evaluate and plan for the continuous development of character education, covering:

- The type of sixth form we are
- Our expectations of behaviour towards others
- How our curriculum fosters resilience and confidence
- The quality of our co-curriculum
- Our promotion of volunteering and service to others
- Ensuring equality of opportunity for all students

The Sixth Form offers students the chance to participate in a range of competitions from sports to intellectual and artistic pursuits - that enhance their sense of community, provide leadership opportunities, and broaden their horizons. We encourage students to engage in co-curricular activities that help them grow as individuals, while ensuring that every student is known as an individual and has access to additional support when needed.

Through these initiatives, the Discover Strand empowers students to develop crucial life skills, build resilience, and foster a strong sense of character and well-being, ensuring they are fully prepared for success in their future academic and professional lives.

ENRICHMENT

ASPIRATION
MOTIVATION

ENRICHMENT

Discover Strand: Enrichment and Personal Growth

At Amethyst sixth Form, we are committed to helping students discover their full potential and experience all that life has to offer. Enrichment is at the heart of our educational philosophy, playing a key role in developing each student both inside and outside the classroom. We offer a wide range of opportunities, ensuring every student has the chance to develop valuable skills and qualities that will support their personal growth and success in the future.

The Discover Strand encompasses all of our enrichment activities, providing students with a broad and exciting range of non-examined opportunities designed to complement their academic studies. These activities enable students to develop crucial life skills, explore new interests, and prepare for the next stage of their lives, whether that's higher education, apprenticeships, or the workplace.

All students are encouraged to engage in a personalised enrichment programme that not only enhances their academic experience but also allows them to flourish as individuals. Our programme is designed to offer a holistic education, enriching students' lives and preparing them for future challenges. Many of our enrichment activities also offer external accreditation, adding value to their overall experience.

ENRICHMENT

Enrichment opportunities at Amethyst sixth Form include:

Volunteering:
Students can assist in Amethyst Trust schools and mentor younger students, gaining valuable leadership and communication skills.

Amethyst Subject Ambassadors Mentoring: Academic peer mentoring allows students to collaborate with their peers to achieve success and develop leadership capabilities.

Masterclasses: Students attend a variety of masterclasses at local and national universities, gaining insights into diverse fields of study.

University Days: Students visit Russell Group universities to experience university life and explore potential higher education pathways.

UCAS Discovery Event: Year 12 students attend the annual UCAS Discovery Event in Birmingham, where they have the opportunity to meet face-to-face with over 100 universities, colleges, and apprenticeship providers.

Student Union Leadership: Students can represent the student body, engage in leadership opportunities, and participate in dramatic and musical productions, including providing technical support for events.

Inter-school Competitions: Students have the chance to represent Amethyst 6th Form in a variety of inter-school competitions, developing teamwork, resilience, and competitive spirit.

Through these diverse enrichment opportunities, the Discover Strand ensures that every student not only excels academically but also develops the personal and leadership skills necessary for a successful future.

We respond to our crucial and important student voice and continue to provide additional sessions based on student desires. To further introduce our students to new experiences and to enable them to expand their horizons, a range of enrichment sessions are offered and encouraged.
